

# DrupalCamp Baltics 2016

## Sponsorship package

Greetings,

Drupal community today is much more than just a bunch of people who share one coding system. It is an alive, growing and supporting community that believes in open source, innovation and collaboration. Drupal people in Baltics are an essential part of this movement and an annual gathering is crucial to strengthen the community and boost up its competitiveness.

We are glad to announce that the 7th DrupalCamp Baltics will take place on October 28th at Albert Hotel, Dzirnavu street 33, Riga. DrupalCamp Baltics has become an annual Drupal community event for people in the Baltics and beyond. It is a non-commercial one day event with two parallel session tracks where people share, learn and cooperate. Each year the event gather a number of nationally and internationally distinguished guest speakers and around 100 participants - web professionals, developers, business people, marketers and other interested parties.

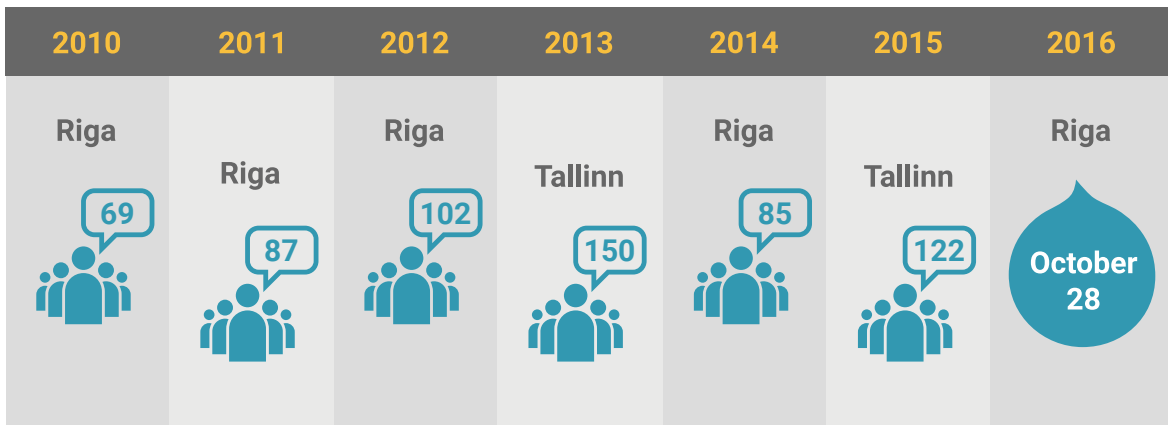

As Henry Ford has once said: "Coming together is a beginning; keeping together is progress; working together is success."

We kindly invite you to help us succeed and become one of conference sponsors. As a sponsor of this event you do not only help to spread the word, knowledge and passion of Drupal, you also have a great opportunity to promote your company to one of the fastest growing open source software communities. Full sponsor benefit package options can be found at the end of this document.

Thank you for your time to review this package and we look forward to your support of DrupalCamp Baltics 2016.

Sincerely,  
DrupalCamp Baltics organizers team

## Timeline of our inspiring DrupalCamp Baltics events:

### Why sponsor?

We know at least two really good reasons:

**Reason nr. 1:** By sponsoring DrupalCamp Baltics you support the Drupal community's continued growth. You give a chance for wider audience interested in Drupal to come together, learn from each other, share the experience and create new project ideas.

**Reason nr. 2:** Sponsoring the DrupalCamp Baltics is a fantastic opportunity to promote your business among an environment of innovative technologies like Drupal community. It is a great chance to network with Drupal experts from across Baltics and beyond, to recruit some of the top talents in the industry and to find the best solutions for your business.

Your generous support helps:

- to keep the ticket prices low
- to offer free tickets for students
- to cover venue costs
- to cover meal and coffee break costs
- to cover accommodation costs for speakers
- to promote the event

Please notice that DrupalCamp is a non-commercial event and sponsorship is vital for our success. We put a lot of time and effort to make this event happen every year, so if you share our passion on Drupal and open source technology and are interested in giving contribution for DrupalCamp Baltics 2016, you are welcome to choose one of sponsorship packages below.

If you are a returning sponsor – we thank you and are honoured to continue our successful collaboration!
